Mortgage Loan Officer

Join the team at McFarland State Bank!

One of Dane County's most respected community banks, McFarland State Bank is a successful \$490 million independent community financial institution headquartered in McFarland, WI serving Dane County. We are currently expanding our mortgage lending operations and are offering an exciting opportunity for an experienced full-time lender.

The successful candidate will be a skilled mortgage loan officer who has established and solid connections with the area Realtor and builder community. We are looking to work with lenders who demonstrate strong and positive interpersonal communication skills, enjoy providing excellent customer service, possess quality sales skills, professionalism, and attention to detail. A strong interest in community banking and mortgage industry involvement are desirable and we believe necessary to succeed.

. This full time position offers a competitive salary and benefits including 401(k), paid vacation, cafeteria and Wellness plans. This position is located at our Greenway Station Office in Middleton, WI.
